

## **Small Biz Working Capital Unveils Game-Changing New and Used Equipment Financing Solutions for Small**

*Small Biz Working Capital is proud to announce its latest offering - a game-changing equipment financing solution for small businesses.*

**WARRINGTON, Pa. - June 29, 2023 - [PRLog](#)** -- With this new service, small business owners can access new and used equipment for up to \$200,000 with equipment financing terms ranging from 2-6 years. The application process is quick and easy; approval is usually given within 1-2 business days.

### **Affordable Financing Options for Small Business Equipment**

Small Biz Working Capital understands the importance of equipment financing for small businesses. That's why we work with equipment financing lenders that offer revenue-based financing that enables business owners to obtain capital for purchasing new or used equipment based on their monthly revenue. To qualify, a business must be located in the USA, have been in business for at least one year, have a 600+ personal FICO score (650+ for startups), and have \$10k+ monthly revenue.

### **A Wide Range of Equipment Financing Services**

Small Biz Working Capital lenders offer to finance for various types of equipment and industries, including but not limited to:

- >Medical
- >Manufacturing
- >Construction
- >Utility Trucks
- >Printing
- >Heavy Equipment
- >Restaurants
- >Food Trucks
- >Farming
- >Landscaping
- >IT, and all kinds of new and used equipment.

Depending on the lender, business owner's credit history, and the type of equipment, down payments of 0 to 30% may be required.
